

NEW EMPLOYEE BENEFIT

We are excited to announce that we are now part of the Corporate and Community program at Vancouver Bike Share.

Use bike share to commute, run errands, visit friends or casually cruise the city. Pick up a bike from one station and drop it off at any other station around town. You just need a Mobi fob or your user code to unlock a bike 24 hours a day, 7 days a week, 365 days a year. There are currently 1300 bikes at 125 stations in the system with many more on their way this spring! Just remember that your pass is good for unlimited 30 minute or 60 minute trips only, so make sure you return your bike within that time frame to avoid overage fees (you can always grab another one!).

There are two discounted plan options:
