Topics and Questions to Discuss with Your Employee Sponsor

Understanding the Role:

An employee sponsor or advisor serves as a supportive guide—not a director—for your club. Their role is to encourage student leadership while offering insight and support when needed.

Ways an Employee Sponsor Can Support Your Club:

- Help club executives navigate Langara's policies, procedures, and campus culture
- Foster meaningful student-employee engagement and campus connections
- Offer knowledge and guidance when requested
- Act as a champion and advocate for the student experience

We recommend taking time to meet with your sponsor early in the term to clarify expectations and discuss how they'd like to support your club.

\square What are the goals of the club? What activities and events will you host?
$\hfill \square$ What does communication look like between the club and the employee sponsor?
☐ How involved does the employee sponsor want to be?
